

Bid Tab Procedure:

1. Contract must have been previously awarded by agency.
 2. A brief project description with the agency and location, date of bid opening and award.
 3. Bid tabs can be provided with bid items on the left margin, and bidder 1, 2, 3, etc. across the top.
- Do not use firm names. The final column could be an average calculation of the bids

This is provided as an information service only, and the data was provided by local agencies. TAM will not respond to any questions regarding the data.

We request that local agencies submit their bid tabs to kbooth@co.marin.ca.us for posting.
